REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on September 27, 2010. At the hearing, Defendant moved to withdraw her not guilty plea to Counts One of the twenty-three Count Indictment and entered a plea of guilty to the lesser included offense of the charge in Count One, that is of conspiracy to distribute and possess with the intent to distribute Five (5) grams or more of methamphetamine (actual) and Fifty (50) grams or more of a mixture and substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, in violation of 21 U.S.C. §§ 846 and 841(b)(1)(B) in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find the Defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by Defendant; the plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; the Defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

Therefore, I **RECOMMEND** Defendant's motion to withdraw her not guilty plea to Count One be granted, her plea of guilty to the lesser included offense of the charge in Count One, that is

of conspiracy to distribute and possess with the intent to distribute Five (5) grams or more of methamphetamine (actual) and Fifty (50) grams or more of a mixture and substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, in violation of 21 U.S.C. §§ 846 and 841(b)(1)(B) be accepted, the Court adjudicate Defendant guilty of the lesser included offense of the charge in Count One, that is of conspiracy to distribute and possess with the intent to distribute Five (5) grams or more of methamphetamine (actual) and Fifty (50) grams or more of a mixture and substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, in violation of 21 U.S.C. §§ 846 and 841(b)(1)(B), and a decision on whether to accept the plea agreement be deferred until sentencing. Defendant filed a motion to remain on bond after entry of her plea pending sentencing pursuant to 18 U.S.C. §§ 3143 & 3145(c) [Doc. 424]. The Government opposed Defendant's motion to remain on bond pending sentencing in this matter. After further medical evidence was gathered, it was determined exceptional circumstances exist. Therefore Defendant's motion to remain on bond pending sentencing is **GRANTED** pending further order of the Court [Doc. 424] and a separate Order has been entered on the record. Therefore, I further **RECOMMEND** Defendant remain on bond until sentencing in this matter. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district judge.
